DO I NEED A TICKET?

Nope. But if you want to participate in the activities we ask that you sign up for a free Eventbrite ticket, so we know who joined us. This helps us apply for funding and sponsorship in future to keep these events inclusive and free. You may also need to sign a waiver for higher risk activities. **Find the Eventbrite ticket link at:** www.moveamile.org

CAN KIDS COME?

Absolutely, but please make sure under 16s are with a responsible adult at all times. Anyone under 16 must wear a helmet for any skate activities.

IS THE ROUTE ACCESSIBLE?

We want everyone to move a mile in their own style, so the route is as accessible as possible with ramps, pavements & pedestrian crossings.

HOW DO I GET THERE?

Bus: The bus interchange is on the route so any bus arriving at Stockport interchange should land you right onto the mile!

Train: Stockport station is a 10 minute walk to GRIT Studios Kingston House.

Car: There is no parking available at either of the GRIT Studio sites due to road closure and carpark space being used. However there are plenty of carparks near to the mile route and some free street parking on Sundays too.

ARE THERE TOILETS?

There are loads of businesses along the way, but Stockroom is the best place for toilets.

WHAT SHALL I BRING?

Expect all weather, it's Stockport! Decent shoes for walking.
